Miracles *Once and only, in all of history*

The meet-up: 1 male gamete and 1 female gamete
Egg picked which sperm. Sperm picked which gender.
They came together to form you in a flash of light

Probability of you happening:

Asian religion: All the world's oceans;
Only 1 random life preserver;
Only 1 turtle swimming randomly (area and depth);
That turtle pokes its head up inside that ring.

Science: 1 in 400,000,000,000,000 (1 in 400 trillion). **Not counting...**

Where to find God's glory

Quest

*Beautiful surrender
Love and action are calling your name*

Reconcile. Align or re-align with Christ

Discover or rediscover the true you God created

Unearth your true, God-implanted facets & characteristics

Identify your true, God-implanted strengths & weaknesses

Realize your true, God-implanted destiny & calling

Come to know your true, God-implanted purpose & fit

Believe these. Cherish them. Live them out.

Outcomes

Beautiful surrender

Your doings and life flow divinely, organically, naturally from your more fully becoming and being **you in Christ**

So, too, the results and your outcomes, as they arise from righteousness, peace and joy in the Holy Spirit

Christ-love for others and yearning to see them freed, living fully & blessed is born and gradually flourishes more and more

You and Holy Spirit partner in worship, prayer, words and deeds to contend with and for others, reconciling them to Christ
