Jesus and The Kingdom

- Right after wilderness trial (40 days), announced it's available
- Public ministry: Almost exclusively what Jesus taught and ministered
- Inaugurated at crucifixion
(ALL world ways and systems, death, hell, sin, curses, grave defeated)
- Confirmed at resurrection
- Demonstrated during post-resurrection (40 days): All I Am statements lived out loud; teaching, ministering, relationship!
- Ascension: "I must go..." Exit. Prayer of John 17 granted
- Launched at Pentecost. "Another Savior" came to us; Church is born
- In full force, Heaven and Earth. All of Heaven put fully on notice Jesus did it all, and right. Jesus deemed fully worthy. Thus, in Him, so are we

I-AM'ed all 40 days.

Table Time

“Am I alive?”

- Appoint someone as reader. S/he, **read John 15:12-17, then John 14:12-14** aloud more than once and in different translations.
- **Discuss:** In light of today's message, and the verses you just read: Jesus spent 40 days with “us” AFTER He resurrected. Why?
 - Why? What does that show us?
Share your thoughts, ideas, opinions. There are no wrong ones
 - Epoch and exodus. What is Holy Spirit saying to you?
