Mary of Magdala

Paolo Veronese c. 1545-48

YouTruth.

- You are known, and were formed, eternally (beyond time)
- You are a work of art dreamed up and handcrafted by God, uniquely designed from an infinite number of possibilities
- You are destined to share the likeness of the Son in your unique way
- In Christ, you have been transferred His perfect righteousness—no separation from God the Father, Son or Holy Spirit
- In Christ, you are completely new. And you are part of a new and different race and family. All that is related to the old order, and division between you and other followers is vanished
- In Christ, you are a co-heir, and are co-glorified, with Him

Table Time, two phases

- **First: Private recording.** Ask Holy Spirit, then write it down: What would you like resurrected about me, or within me?
 - Could be identity (who I really am), a dream, an aspiration, a talent, a destiny, a career, a lifestyle, a calling, healing from a loss or mistake, etc.
- **Next: Speak over one another.** Seek Holy Spirit: How would You like me to affirm, encourage or urge others at my table?
 - Go beyond personal or physical attributes. Truly seek Holy Spirit guidance to speak into others' internal souls with care. Unearth truth. Help Holy Spirit resurrect LIFE.
